The screenshot shows the Kindo checkout interface. At the top, there is a navigation bar with a logo, a user profile icon, and a menu with items: 'home', 'my details', 'mykindo wallet', 'my orders', and 'mykindo'. A circled 'Available Balance: \$10.00' is visible next to the user profile icon. On the right of the navigation bar, there is a shopping cart icon with a red notification bubble showing '\$8.25' and a '0'.

The main content area is titled '← Checkout'. It is divided into two columns. The left column is labeled 'Payment' and contains a 'Pay with Wallet' section. This section shows a balance of '\$ 8.25' and a note 'Balance after order: \$1.75'. Below this, a dark blue button labeled 'Complete order' is circled in blue. The right column is labeled 'Cart' and contains a 'Voucher' section. It lists the following items and amounts:

| Item                   | Amount |
|------------------------|--------|
| Cart subtotal - 1 item | \$8.25 |
| Pay with Wallet        | \$8.25 |
| Payment Amount         | \$8.25 |
