## Subject Selection and Tertiary Course Entrance Information

This information has been prepared from brochures, newsletters, etc. supplied by tertiary institutions and is correct at the time of writing. However, the institutions frequently alter their criteria so it is strongly advised that you check the details with the relevant institution. *There may be different admission requirements for various groups of students e.g. Maori, Pacific, International, Disabled, etc. Individual students should check for details.*

November 2016

**University Entrance Standard under NCEA:** *Entry requires 14 credits at Level 3 in three approved subjects, plus NCEA Level 3, plus literacy (5 Level 2 Reading and 5 Level 2 Writing) and numeracy (10 Level 1 Maths) requirements. Further details are available on request.*

**Calculation of Ranked Scores under NCEA:** *Excellence credits are awarded 4 points, Merit credits 3 points and Achieved credits 2 points. This applies to the best 80 Level 3 credits in 5 approved subjects, with a maximum of 24 credits for each subject.*

***Recommended:*** This means it is not essential to take the subjects to gain entry to a course, but it is often difficult to succeed without some prior knowledge.

***Pre-requisite:*** Essential to gain entry to a course.

***Limited Entry:*** This course has a limit to the number of students it can take in any one year, but this should not act as a deterrent if a sufficient standard has been reached.
