SECTION A - Introduction

The measures to ensure the cybersafety of Mount Albert Grammar School outlined in this document are based on our core values.

The school's computer network, internet access facilities for both school and student devices, and other school ICT equipment bring great benefits to the teaching and learning programmes at Mount Albert Grammar School and to the effective operation of the school.

Our School has rigorous cybersafety practices in place, which include cybersafety use agreements for all school staff and students. The overall goal of the school in this matter is to create and maintain a cybersafety culture that is in keeping with the values of the school and legislative and professional obligations. This use agreement includes information about your obligations, responsibilities and the nature of possible consequences associated with cybersafety breaches, which undermine the safety of the school environment.

Only students who have signed a use agreement upon enrolment are allowed to use the school ICT equipment/devices.

The school's computer network, internet access facilities, computers and other school ICT equipment/devices are for educational purposes appropriate to the school environment. This applies whether the ICT equipment is owned or leased either partially or wholly by the school, and whether used on or off the school site.

Students and staff are encouraged to be good digital citizens by being technically capable, digitally literate and socially responsible when working online.

SECTION B – *Rules to help keep Mount Albert Grammar School Students Cybersafe*

As a safe and responsible user of ICT I will help keep myself and other people safe by following these rules.

1. I cannot use school ICT equipment until my parent or caregiver and I have read and signed my use agreement form (see Section C).
2. I will always log on with my school username. I will not allow anyone else to use my username.
3. I will not tell anyone else my password.
4. While at school or a school-related activity, I will not have any involvement with any ICT material or activity that might put myself or anyone else at risk, e.g. bullying, trying to access objectionable material, etc.
5. I understand that I must not at any time use ICT to upset, offend, harass, threaten or in any way harm anyone connected to the school or the school itself, even if it is meant as a joke. This applies at all times, not just at school and applies especially to the use of social media.
6. I understand that the rules on this use agreement also apply to mobile phones. I will only use my mobile phone(s) at the times that I am permitted to during the school day.
7. I understand that I can only use the Internet at school when using it for educational purposes.
8. While at school, I will not:
 - Access, or attempt to access, inappropriate, age-restricted, or objectionable material.
 - Download, save or distribute such material by copying, storing, printing or showing it to other people.
 - Make any attempt to get around or bypass security, monitoring and filtering that are in place at school.
9. If I accidentally access inappropriate material, I will:

 2. Turn off the screen or minimise the window and
 3. Report the incident to a teacher immediately.
10. I understand that I must not download any files such as music, videos, or programmes that do not comply with the Copyright Act 1994 and later amendments. I also understand that the use of peer-to-peer file-sharing sites is prohibited by law and that anyone who infringes copyright may be personally liable under copyright law.
11. I understand that these rules apply to any privately owned ICT equipment/device (such as a laptop, tablet, mobile phone, USB drive, etc.) I bring to school or a school-related activity. Any images or material on such equipment/devices must be appropriate to the school environment.
12. I will not attempt to run any personal software on computer on our school network. This includes all wireless technologies.
13. I will ask a teacher's permission before giving out any personal information (including photos or videos) online about myself or any other person. I will also get permission from any other person involved. Personal information such as your name, address, e-mail address, phone number should not be posted online.

School Rules

The School Rules have been established in partnership with the community over a long period of time. They reflect the school community's expectation of acceptable standards of behaviour, dress and personal presentation in the widest sense. Students are expected to abide by the School Rules when in school uniform or when engaged in activities that are associated with the school. At these times a student is deemed to be under the jurisdiction of the school for the purpose of these rules.

1. Students are subject to school discipline from the time they leave home until they return home and are expected to meet a high standard of behaviour both inside and outside the school grounds.
2. The school uniform is to be worn, tidily and correctly both at school and between home and school at all times. This includes the journey to and from school each day. Hair must be clean and tidy, with long hair, both for boys and girls, tied back off the face, primarily for health and safety reasons. Excesses of current fashions are not acceptable. Boys are to be clean shaven. No jewellery, except a wristwatch, is permitted for boys. Girls may also wear a small, plain gold or silver stud earring in the lobe of the ear.
