Courses for Year 10 in 2023

- * In 2023 all Year 10 students will study the core subjects: **English, Mathematics, Science, Social Studies, and Physical Education.**
- * **All students will also study Health as one of the Options below**
- * Decisions on entry into Option subjects is made by the Head of Faculty based on the prerequisites stated in SchoolPoint
- * Please refer to SchoolPoint for the prerequisites for entry to the courses you wish to study.
- * Choose a combination of option subjects from **Table A and/or Table B and/or Table C** that will total **8 lessons per week** for the whole year.
The 8 lessons **must include Health**
- * See the reverse of this handout to help you to understand the combination of courses you can choose from the tables to create **8 lessons per week.**

Note:

- * If you especially enjoy Art, you can take both Semesters for Visual Art courses in Table C (10AR1 and 10AR2).
- * Some subjects are offered in Table B and Table C to give you flexibility
- * Check that your total number of lessons adds up to 8 lessons per week for the whole year
- * The final placement of students in Academies is made by the Academy Directors and the Director of Sports
- * For courses in Table C - the timetable constraints will determine if you study the course for the first semester or for the second semester

SPORTS ACADEMIES

- Some of the Sports Academies can be chosen within the Table B options and will be taught throughout the day as part of the 8 option lessons.
- Students can only choose **one** of these Sports Academies from Table B without special exemption through the Director of Sports (Allie Wright: AllieWright@mags.school.nz)
- If you are not already involved in the morning Sports Academy courses then you should contact the Director of Sports to discuss your options.

The Morning Academies are:

- Year 10 Basketball Academy
- Year 10 Hockey Academy
- Year 10 Ruby Girls Academy

SEMESTER COURSES (Table C) – 4 periods per week for half a year

Decisions on which semester students will study the course will be determined by timetabling constraints.

- If a student wishes to choose Art for **one** semester only, they can choose **EITHER** 10AR1 **OR** 10AR2. The semester will be determined by timetabling constraints.
- If a student wishes to choose Art for the whole year, they should choose **BOTH** 10AR1 **AND** 10AR2
